PARTICIPANTS AND GUEST INTERVIEWS

Urs Jäckle / Moderator

Urs Jäckle has been the artistic director of 'Krystallpalast Varietés' in Leipzig for over 10 years. He knows the scene very well and manages various Circus and Varietie-productions every year. He is closely affiliated with YOUNG STAGE and he is also a member of the artist selection procedure. He takes on the role of the host at the workshop "Career Coaching", a talk about artist and circus business, which is offered to the artists of YOUNG STAGE every year. He also hosts the Professional Session this year.

Nadja Hauser

Nadja is the producer and festival director of YOUNG STAGE. Together with her husband, she has founded the festival in 2007. The planning and organization of the festival has become a job throughout the year. It is her largest project apart from many other event and show productions – her greatest passion and her greatest challenge. In an interview she will tell why she realizes the festival for the 8th time and gives a glimpse behind the scenes.

PARTICIPANTS AND GUEST INTERVIEWS

Werner Buess

He took over the management of the GOP Variety Theater in Hannover in 1993. At the same time, he laid the foundations for today's GOP Entertainment Group, which is currently considered the most successful variety company in Europe. In his capacity as Member of the Board, he is the heart, soul and creative head of the company. He is responsible for 25 different show productions in 7 theatres and various guest performances annually. Werner has been a member of the jury since the start of YOUNG STAGHE. He followed the whole development of YOUNG STAGE. Werner will talk about his motivation, being part of the festival and in particular, he will talk about the criterias, they assess the artists.

Nadja Sieger

Nadja Sieger is an actress, singer, dancer, presenter, voice actor, writer, director, but above all it is Nadeschkin - the female half of the clown duo Ursus & Nadeschkin. In these two constellations Nadja is known in the German-speaking theatre and comedy scene for nearly 30 years and she is very popular: as well as in performances, playwriting or in connection with projects in which she sometimes takes the role of the presenter or producer. Nadja developed her talent and her skills in autodidact in over 3,000 performances. She is a jury member at YOUNG STAGE 2016 for the first time and she will tell us about her motivation, being part of the jury.
